

June 19, 2020

Mr. Gerald Pratt, P.G.  
Environmental Engineer  
New York State Department of Environmental Conservation  
Division of Environmental Remediation, Remedial Bureau C, Section A  
625 Broadway, 11th Floor  
Albany, NY 12233-7014

Subject: First Quarter 2020 Groundwater Monitoring Report  
Patchogue Former MGP Site  
Patchogue, Suffolk County, New York  
Site No. 1-52-182

Dear Mr. Pratt:

This letter serves to transmit one hard copy and one CD containing an electronic copy of the First Quarter 2020 Groundwater Monitoring Report for the Patchogue Former Manufactured Gas Plant (MGP) located in Patchogue, Suffolk County, New York (Site No. 1-52-182). Of note, this report presents the results and findings associated with the first groundwater monitoring event following implementation of the site remedy.

If you should have any questions, comments or require any additional information, please do not hesitate to contact me (516-545-2586).

Sincerely,

for

Sarah Aldridge  
Project Manager, Site Investigation and Remediation
